FINANCE AVAILABLE

**First Mortgage Finance Available from:
RMBL Investments Limited**

The Advantages of Borrowing from RMBL Investments Limited

- Fast response to loan applications
- Interest usually paid quarterly in arrears
- Funds available for urgent settlements
- Funds available for Construction finance
- Attractive interest rates (currently 9.75%)
- We may lend up to a maximum of 66.66% on most property types, eg. residential but usually do not exceed 60% on commercial, industrial, rural or vacant land
- Legal fees according to scale
- Repayment and/or reduction options available

At RMBL we look at the whole picture when it comes to lending. We work with the Borrower to solve any problems that may be associated with the Borrower or the project.
